Goals and interests

In no more than 250 words, please share with us your interests and goals in digital studies, social justice, and the specific theme of this year's Digital IDEAS program. In other words, what are your motivations in attending Digital IDEAS? Please feel free to share with us any relevant academic, creative, professional, or personal experiences, including research, teaching, community organizing, or future aspirations. *

In no more than 100 words, please describe a project that you are working on and would like to further develop during Digital IDEAS. This project can be in any form, mode, or genre, and it need not be academic. For example, it could be a syllabus, an installation, a dissertation chapter, an article, a bot, a webtext, a multimedia project, and so on! *

Please upload a short cv or resume (no longer than two pages). If you're applying as a collective, please upload a single, combined resume.*

Communication & Access

Where did you learn about Digital IDEAS?

What methods of communication do you find most accessible and enjoyable for building community? (e.g., email listservs, Slack, Zoom chat, social media, etc.)

We plan to use Zoom as our video conferencing platform for Digital IDEAS and will have real-time captioning (CART) provided for all sessions. **What are your accessibility needs and preferences for Zoom-based discussions and workshops?** (e.g., ASL, verbal description of visuals, downtime/screen breaks, discussion norms, opportunities to socialize, etc.)
